**Cheer point guide for Team
World Child Cancer!**

World Child Cancer
No child should suffer

This unique 100 mile cycle starts at Queen Elizabeth Olympic Park and travels along London's closed roads to finish at the Mall. Team World Child Cancer are taking on an amazing challenge for children with cancer, and they are going to need you to cheer them on!

Cheer Point:

Our cheer point will be at **Mile 90** (see the map below) in Wimbledon. The nearest station is Wimbledon station on the National Rail. Please check and plan your journey before travelling on the day as there will be some station closures.

Our staff and volunteers will be setting up the cheer point from 9am so come and join us! We will be cheering just before the last hill with our orange clappers, and they will need our support to get them up there. The cheer point will be up until roughly 2pm.

Wear something comfortable and practical as you will be on your feet all day. Also make sure to bring water and food with you as everywhere will be very busy and you would not want to miss your cyclist.

Now the race is complete it is time to congratulate our amazing cyclists! Our staff will be in Green Park from 12pm ready to welcome our riders and their families.

Our meet and greet point at Green Park will be in the region labelled W. We will have flag or banner there so look out for us, and there will be lots of post race treats as a thank you for supporting children with cancer in the developing world.

If you can't spot us give us a call on: 07847442738. To get to Green Park Station, please use the Jubilee, Victoria or Piccadilly Line.

Thank You from World Child Cancer!
